

# SELF CHECK-IN

## KEY SAFE OPENING INSTRUCTIONS

The Key Safe was introduced as a self check-in facility to make the check-in process simpler and easier. The Key Safe is securely mounted at the entrance to your accommodation and will dispense the key when you enter the unique code provided. The code will be sent to you via text to your mobile phone and/or to your e-mail address on the morning of your arrival after full payment for your stay has been confirmed. On check-out just deposit your key into the convenient Key Drop facility.

1

The Key Safe mounted next to the entrance.

2

Take the top cap off.

3

Open Key Safe.

4

Put in the given code.

5

Press the buttons on either side.

6

Open the Key Safe with the key inside.

7

Kindly close the Key Safe with the same code in place and once closed, scramble the code.
